Period Ended September 30, 2015

Crest Value Equity Awarded with PSN Top Guns Status for Period Ended September 30, 2015

The Crest Value Equity strategy achieved Top Guns status in the Large Cap, Large Value, and U.S. Value three-star categories. The Top Guns status in the three-star category is awarded to the ten top performers in each peer group based on three-year returns as of September 30, 2015.

In addition, Crest Value was recognized by PSN as a Bull & Bear Masters in the U.S. Equity universe. This status is given to the top ten strategies based on their relative up and down market capture performance over the three-year period ended September 30, 2015.

Crest Equity Value Strategy

The Crest Value strategy employs a disciplined approach to invest in undervalued stocks of companies that generate strong cash flows, display solid balance sheets with limited leverage, and trade at attractive market multiples. The strategy is managed with a fundamentally based, systematic process with quarterly rebalancing to maintain the portfolio's focused fundamental profile.

The portfolio is fully invested across 30 large- to mid-cap, liquid U.S. stocks.

Information About PSN

With a nearly 40-year history, Informa Investment Solutions is part of Informa PLC, a leading business-to-business knowledge provider serving International markets. In 1984, Informa Investment Solutions, Inc. introduced the first commercially available investment manager search and evaluation database - Plan Sponsor Network, or PSN. PSN offers financial professionals high-quality, in-depth data on U.S., non-U.S. and global investment managers. There are over 2,000 investment managers participating in the PSN database, which covers more than 20,000 domestic and international investment products.

Utilizing a proprietary blend of performance screens, PSN Top Guns ranks products in six proprietary star categories in over 50 universes. This is a highly anticipated quarterly ranking and is widely used by institutional asset managers and investors.

As of September 30, 2015:

The PSN Large Cap universe is comprised of 606 firms and 1,298 products.
The PSN Large Value universe is comprised of 250 firms and 365 products.
The PSN U.S. Value universe is comprised of 407 firms and 947 products.
The PSN U.S. Equity universe is comprised of 947 firms and 3,129 products.
